

Mazda Raceway Laguna Seca was established in 1957. The world-renowned raceway has been operated since its inception by the Sports Car Racing Association of the Monterey Peninsula (SCRAMP), a not-for-profit 501C(4) corporation. Each race season, SCRAMP donates a portion of its net proceeds to the volunteer groups that help put on the races.

Walking inside the Red Bull Energy Center and its exclusive private compound, you will realize that this truly is the perfect place for a great event.

Take its flexibility-the Red Bull Energy Center has the size to seat 400 at tables while 700 can be seated assembly style and 850 guests can be included for standing room only. There is also the option of sub-dividing the building with an interior wall and creating two completely separate rooms.

Take the amenities offered. Renting the Red Bull Energy Center includes the use of 50 round banquet tables and 400 padded banquet chairs, saving hundreds of dollars in furniture rental costs. Meanwhile, 42-inch plasma televisions make DVD presentations a breeze. To top it all off are floor-to-ceiling windows displaying the magnificent view and glass doors leading to the outside deck.

Outside deck? Yes, the Red Bull Energy Center even includes a large outside deck for your guests to enjoy and really sets this venue apart from all others. Multiple restroom facilities are also included. Nearby between the large oak shade trees and grassy lawns is the Red Bull Energy Center's catering preparation area which includes everything needed to create an amazing culinary experience, including a large double barbecue pit! The perfect event requires an ideal venue. The Red Bull Energy Center is a truly unique setting offering a distinct experience. Make your event remarkable, contact us today.
